Highlights of Service Activities

- Redesigned and refreshed the MBA for asynchronous online delivery.
- Task force member: Pilot Program Blackboard Ultra (training and implementation)
- Design of capstone business courses at both the undergraduate and graduate levels.
- Design of Leadership courses at both the undergraduate and graduate level.
- Design and implementation of the first hybrid and online courses in the School of Business.
- Introduction of gamification to the School of Business with the use of multiple business simulations across various courses. Gamification brings experiential learning to the business curriculum.
- Plan and implementation of assessment measures for the Business Administration major that led to successful SACS and ACBSP reaccreditation
- Design and implementation of an assessment plan and assessment measures for the MBA (with R. Pellegrino) that led to successful accreditation by both SACS and ACBSP
- MBA assessment report (with R. Pellegrino): Seven years of reports.
- Undergraduate assessment report during both ACBSP and SACS reaccreditation around 2008/2009
- Faculty Development Coordinator (one year)
- Program Coordinator Business Administration (two years)
- Faculty Handbook Committee (revisions): Five years of service: 2010-2012, 2013 – 2014, and 2016 to 2018.
- Faculty Senator: 2006 - present
- Curriculum and Instruction Committee: 2022 - present
- Faculty Evaluation Committee (2016-2017): Redesigned the faculty evaluation form
- Faculty Retirement Committee (2016): Redesigned the retirement plan for the university
- Chair, Grade Appeals Committee: 2009 - 2020
 - Redesigned the grade appeals process including new guidelines for students, new committee processes and detailed reports that conform with legal guidelines.
- Strategic Planning Steering Committee (one year)
- Chair, Faculty Awards Committee 2005 – 2013 and 2016
- Senior Project Presentation Series: 2003 to present

Frontline Leadership

ALCOA Leadership Training

Leadership Applied: A Situational Approach (Situational Leadership)

OBJECTIVES: To explore each participant's leadership style and philosophy.

1. To develop situational leadership skills in each participant.
2. To practice situational leadership in common managerial situations.
3. To create a teamwork approach to leadership issues.
4. To create the processes through which participants can further explore their leadership style without the need for facilitator interaction.
